5. **Personal Protective Equipment:** Any staff members stationed at the front desk will be mandated to wear a mask when speaking to any client or child. Additionally, staff members will be asked to wear masks during the beginning and dismissal of classes for any conversations that may need to occur within the classroom as well as with parents or caregivers. If at any time during class an instructor is not able to keep the safe 6ft separation between themselves and students they will put a mask on.
6. **Class Capacity & Physical Distancing:** Per mandated state guidelines, all classes at DL Studio will be maxed out at 50% of their standard capacity. Socially distanced markers have been placed on the floor to ensure the appropriate space is kept in between participants. Masks are not mandated to be worn during class inside the studio as long as appropriate distancing can be kept. Any student who wants to keep their mask on is welcome to do so.
7. **Staff Promise:** All staff members will be asked to sign a declaration stating that they are re-entering DL Studio without infection or symptoms of COVID-19 (or other). They will also provide their guarantee that if in the future symptoms or infections occur, they will notify DL Studio management immediately. - a. We will be increasing the time in between classes to 30 minutes.
 - b. For parents picking up their kids, we ask that you wait until 5 minutes prior to the end of class to enter the studio for pick-up. We will be keeping the studio waiting area clear from any sitting and waiting. Once class is over, we will release students five at a time to avoid congestion in hallways. If there is a day that comes up where this is not possible, please email the studio and we are happy to discuss and make arrangements.
10. **Studio Capacity:** Per mandated guidelines, DL Studio will be limiting all class sizes by 50% and at no time, will we allow any more than 20 people inside the studio at a time.
